The screenshot shows the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (MAHALAKSHMI G's Ac...). Below the navigation bar, the main content area is titled "Dashboard" and includes links to "Edit dashboard", "Upgrade account", and a "Create resource" button. The dashboard is divided into several sections: "For you" (featuring tiles for "Build", "Build a web app with Watson Speech to Text", "Get Started with Watson Studio", "Build a Virtual Private Cloud (VPC)", "Learn about IAM Roles", and "Build a virtual machine"); "News" (with links to "View all" and a list of recent news items); "Recent support cases" (with a "View all" link); "Planned maintenance" (with a "View all" link); and "IBM Cloud status" (with a "View all" link and a world map). The left sidebar contains a list of icons for various IBM Cloud services.

This screenshot shows the same IBM Cloud Dashboard interface as the first one, but for a different user, "Narindi Bagya sri's Acc...". The dashboard layout is identical, with the same navigation bar, "For you" section, "News" section, and other widgets. The interface is overlaid on a Windows desktop environment. The Windows taskbar at the bottom shows the system clock as 18:27 on 19-11-2022, and the weather as 26°C Cloudy. The taskbar also displays various application icons, including the Start menu, Search, and several open applications like a web browser, file explorer, and communication tools.

The screenshot shows the IBM Cloud Dashboard. The top navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (Narindi Bagya sri's Acc...). The main content area is titled "Dashboard" and features a "For you" section with several tutorial cards. These cards include "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Build a web app with Watson Speech to Text", "Get Started with Watson Studio", "Build a Virtual Private Cloud (VPC)", "Learn about IAM Roles", and "Build a virtual machine". Each card provides a brief description and a "Getting started" button. Below the "For you" section, there are four more cards: "News", "Recent support cases", "Planned maintenance", and "IBM Cloud status". The "News" card lists several articles, including "Introducing Badges to IBM Cloud Certification" and "Announcing IBM SevOne Network Performance Management Version 6.4". The "IBM Cloud status" card shows a world map with a blue square indicating the current location. The bottom of the dashboard shows a weather widget (26°C Cloudy) and a taskbar with various application icons.

This screenshot is similar to the one above, showing the IBM Cloud Dashboard. The "For you" section features different tutorial cards, including "Build", "Build a web app with Watson Speech to Text", "Get Started with Watson Studio", "IBM Watson Internet of Things Platform", "Build and deploy Node.js apps", and "Build a virtual machine". The "News" card lists articles such as "Introducing Badges to IBM Cloud Certification", "Announcing IBM SevOne Network Performance Management Version 6.4", and "IBM Named a Leader in Gartner Magic Quadrant for Full Life Cycle API Management". A "meet.google.com" sharing overlay is visible in the center of the dashboard, indicating that the screen is being shared. The bottom of the dashboard shows a weather widget (25°C) and a taskbar with various application icons.
